
Subham Gupta

Mumbai, India

(887) 721-9367

hewhoremaains@gmail.com

- Detail oriented, quality focused Technical and Functional Specialist with 2 years of experience in the IT industry.
- Efficient in providing quality solutions to high-priority business critical customers through strategic planning.
- Java expert skilled in client environment implementation, server configuration, database management, and ensuring performance and compatibility through quality assurance practices.

EXPERIENCE

Intellect Design Arena, Mumbai - *Consultant*

September 2022 - PRESENT

- iGCB platform that provides the Treasury Management-based fintech end-to-end application to Domestic/Foreign Banks.
- As an implementation team that knows the functional and Technical aspects of FinTech tools, our major projects were delivered to Equitas Bank, CCB Bank, Abodhya Bank, Utkarsh Small Finance Bank, SIDBI Bank, NABARD Bank, and SIB Bank.

HighRadius Corporation, Hyderabad - *Paid Internship*

MAY 2021 - MAY 2022

- Software Developer in ARPA (advanced robotics processing automation) Track.
- Responsible for building various software agents that help to automate the system to do FinTech operations.

The Sparks Foundation, Remote - *Internship*

APRIL 2021 - MAY 2021

- responsible for building an Android mobile banking app.

EXPERTISE

Core JAVA, PLSQL, Python, Angular, JavaScript, DevOps tools like Jenkins, Server Config like JBoss, Weblogic, Apache TOMCAT, Selenium, Java-Swing, JSP.

SKILLS

CORE JAVA :

- Implementing a Treasury Product application for banks (domestic/international) using a Java-based framework for the backend.
- Developing an applet-based product using Java.
- Setting up Java configuration.
- Utilizing JAR files for packaging.
- Using JDK to run the application on the server side.
- Implementing product features using Java socket programming.
- Expertise in working with JSP, Servlets, and Java Swing for developing dynamic web applications and desktop interfaces.

DATABASE :

- Using Oracle 19c as the database for the product.
- Utilizing PL/SQL and Oracle Developer tools to perform database CRUD operations.
- Writing DDL statements, views, stored procedures, and database packages to perform complex data activities.
- Developing database schedulers and triggers for automation.
- Passing queries, stored procedures, packages, and views for developing JRXML/Jasper reports.

SERVER CONFIGURATION :

- Using various JBoss and WebLogic servers for the Treasury product application.
- Primarily worked on JBoss 7.2.
- Configured servers in both local and client environments.
- Managed various JAR, XML, and SH files required for running and configuring the application (e.g., JDBC, logo path).
- Deployed various JAR, WAR, and EAR files in standalone server environments.

-
- Utilized various Linux commands to restart, stop, deploy, and perform CRUD operations at the server level.
 - Implemented server schedulers for FTP, SMTP, and other automation tasks.

PACKAGING :

- Primarily using Jenkins for build purposes in offshore and onsite environments, and Eclipse IDE for local development.
- Gained experience in CI/CD environments.
- Interacted with multiple servers and components.
- Set up dependency management.

AUTOMATION :

- Web Automation: Utilized Java with Selenium for automating web agents and conducting comprehensive testing.
- Database Automation: Implemented database automation using DB schedulers and jobs to streamline processes and improve efficiency.
- Build Automation: Familiar with Jenkins for continuous integration and build automation, ensuring smooth deployment and testing cycles.

EDUCATION

Guru Nanak Institute of Technology, Kolkata- *Bachelor of Technology*

MAY 2018 - MAY 2022

Completed B.Tech in Information Technology Stream with a Remarkable DGPA of 8.51.

DAV Public School, Arrah Bihar- *Intermediate*

MARCH 2015 - MARCH 2017

Completed H.Sc in CBSE Board.

Sambhawana Awasiya Uchcha Vidyalaya, Arrah Bihar- *Matriculation*

MARCH 2013 - MARCH 2015

Completed S.Sc in CBSE Board.

AWARDS

- Spot Award for Best Debutant at Intellect Design Arena in April 2023.
- Kirti Award 2021 - Student Achiever in Extra Academic at GNIT, Kolkata.
- Got 19th Position in Relevel Select by Unacademy in 2022.

I hereby declare that all Information provided by me in this resume is true and correct to the best of my knowledge.
